

Health care is a highly regulated industry. During an Election Year, it's even more important that health care employees stay politically active and aware. Operation Healthy Vote was created just for Mississippi health care workers. The Web site offers information on registering to vote, changing your address, absentee voting, information on candidates and other important health care issues. Sign the pledge form. And be sure to wear your Operation Healthy Vote pin when you vote on Election Day...***Be a Part of the Invasion!***
