

OPERATION HEALTHY VOTE

Campus

BE A PART OF THE INVASION.

Operation Healthy Vote is invading Mississippi. In 2007, our state will cast votes for governor, lieutenant governor, secretary of state, state treasurer, state auditor, state legislators and various other state-level elected positions. Hospitals, health care facilities and health care campuses across the state are joining together to increase health care *voter registration, education and participation* in local, state and national races.

Operation Healthy Vote is asking all health care students and interested citizens to “pledge” their support to Operation Healthy Vote. Please sign the form below and pledge to register to vote at your current residence address, get educated about the candidates (go to www.operationhealthyvote.com) and show up at the polls on Election Day. After we receive this form, Operation Healthy Vote will mail you “marching papers” informing you of voting polls in your district, voting contacts in your area and information on candidates in your area. We will also send you information about absentee voting.

Yes, I want to be a part of the invasion.

I pledge my support to Operation Healthy Vote. I promise to register to vote. (If I am not actively registered to vote, I have filled out the attached national voter registration form.) I promise to educate myself about the potential candidates and their views on health care issues. (If you need help, www.operationhealthyvote.com will always have updated information on candidates’ stands on health care issues.) And, most importantly, I promise to vote on Election Day. (And I will proudly wear my Operation Healthy Vote pin to let others know that I am part of the invasion!)

Name _____ Signature _____

Hospital or Company _____

Residential Address _____
(No P.O. Boxes, please.)

Mailing Address _____
(If different from above. If not, leave blank.)

E-mail _____
